LEASE APPLICATION CHECKLIST

THE JANDER GROUP, INC.

Thank you for your interest in leasing a home from The Jander Group, Inc. As you prepare to submit your lease application for processing, please carefully follow the below checklist.

1. Home Availability

Please visit our actual website to ensure the home that interests you is <u>still</u> available. If you do <u>not</u> see the home listed on our <u>Homes for Rent</u> page, the home has already been leased and is no longer available. Our website has accurate information. Please do <u>not</u> rely on third party sites for they routinely have outdated information.

2. Leasing Process and Frequently Asked Questions (FAQ)

Please visit the <u>Applicant Resources and Leasing Process</u> and the <u>Applicant FAQ</u> pages on our website where you will very likely find answers to any leasing questions that you might have.

3. Fully Completed Lease Application

If the property that interests you is listed on our website, please <u>fully</u> complete the lease application document, paying special attention to accurately provide the requested information in each field. Please do not submit an incomplete lease application as that is a reason for denial.

No fields should be left blank. If a field is not applicable to you (for instance you do not have any pets), you should list N/A in that field. Do not list N/A in any field that is applicable to you.

4. Sign Your Lease Application

The lease application <u>must</u> be signed. If you do not have the ability to digitally sign your lease application document, you will need to physically print the document and sign.

Do not submit an unsigned lease application.

5. Required Documents

Please gather <u>all</u> of the required supporting documents as you prepare to submit your fully completed and signed lease application. They are listed in **bold** on the lease application and the list below.

- a. Current Government Issued Photo ID in color
- b. Current Vehicle Tag Registration(s)
- c. Current Veterinarian Papers (appointment eval/report and vaccine certificates) and Current Pictures
- d. Recent Pay Stub(s) if W2 employee or Recent Tax Returns if self-employed / independent contractor

Do <u>not</u> submit your lease application without all of the required supporting documents.

6. Submitting Your Lease Application

Email, Facsimile (in color), Mail, or Hand Deliver To Our Office.

Most applicants elect to email their fully completed lease application and required documents to us at leasing@jandergroup.com as that submission method is the quickest. If emailing to us, please make sure your documents are in **PDFs** or **JPEG** format as those are the **only** formats we can accept.

7. Pay Your Lease Application Fee

The lease application fee may be paid via money order, cashier's check, or electronic payment. Most applicants elect to pay electronically via our website, which payment link is located on our <u>Pay Lease Application Fee</u> page. Please remember that the lease application fee is <u>nonrefundable</u>. Please only submit payment after you have followed all of the above steps as the application fee is nonrefundable.

8. Lease Application Processing Time

Provided the applicant follows all of the above steps, the average lease application processing time is three (3) business days. Please know that we work to quickly process each and every lease application. **There are instances when additional supporting information might be required from an applicant.** If this is determined, the applicant will be promptly notified. As soon as your application finishes processing, you will be notified of the result.
